

# **Digital Media Developers Group**

## **April 6, 2006 Meeting Notes**

### ***Old Business***

#### **ITAB report: Bobbie Sue Koelling**

OA has a new home page design. It is awaiting approval from the governor's office.

Christy Clark has been named CIO for DED

There is an IT jobs page on the intranet.

Symantec is the vendor for the enterprise anti-virus software.

#### **Brown University Study**

The group will meet next month after the next DMD meeting. The group will prepare recommendations for standards for web services, content management systems and for expanding Google index limits.

### ***New Business***

#### **Business Permits**

Lynn McKee has asked for each agency to submit a list of business permits required to begin a new business in Missouri. He is going through the DMD, but recognizes that others in each agency will need to answer these questions.

This survey is part of an ongoing effort to develop a business portal on the state home page.

#### **DMD Elections**

Lainie Strange (DESE) was elected new chairperson for the DMD. In the event that Lainie is unable to carry out her duties, the first runner-up was Erica Gage (SOS).

#### ***Agency Projects/ Open Discussion***

Several agencies have had their mailing lists get rejected by an outfit called SpamCop. Chris Fischer in SDC is aware of the situation and is investigating.

SOS has launched a death certificate database that the public can search. It has records from 1910-1955 recorded, and has the first few years available as PDFs.

The next meeting is Thursday, May 4, 2006 at 1:30 in Room 500 HST.
